

2012 Show Information “Inspire The Best”

Participants: All home club members are encouraged to participate. **The cost is \$85.** This fee includes the costume, ice time, coaching and 2 tickets to the show. People who would like to pay in installments may pay \$40 now and \$40 before the first practice. The groups will be determined according to test level. Each level will have at least one group. If it becomes necessary to separate a large group into smaller groups, it will be done according to age and skating ability. This will be determined by the directors and coaches.

There will be a \$10 late fee for any applications received after the costumes are ordered.

Dates: Two shows will be held on Saturday, April 28th. There will be a dress rehearsal on Friday, April 27th. Registration deadline is December 17th.

Practices: There will be a total of four, 45 minute practices for each group number. The practices will start April 16th and continue until April 26th. The times will be after club time Monday through Thursday. All dates are subject to change. Beginner groups may practice on Saturdays 11:45-12:30 starting March 24th..

Absences: All four practices are mandatory! Please speak with your group coach if you do have to miss the practices and remember that group work is best done when the whole group is present. Exceptions will be made only for extreme situations, such as illness and family crisis. If there is an absence you will be responsible for informing the coach of that group and attending a make-up lesson if necessary.

Costumes: The costume is included in the registration fee of \$85. Costumes will be distributed as they are received. Tights are not included. You will be responsible for purchasing tights and any other small items.

Pictures & Videotaping: There will be a picture service available on April 21st. The cost is not covered in the registration fee. Videographer services will also be provided. Order forms for VHS and DVD will be available during practices and performances.

Tickets: Tickets will be on sale during practices and the night of the show. Please indicate on your form if you are willing to volunteer for the show. Sign-up forms will be posted at the rink closer to the date of the show.

Other Responsibilities: All skaters will participate in the opening and finale numbers. These will be taught at the April 27th dress rehearsal.

Questions: Please contact Heather Seyfer at 525-0524 if you have any questions. More information will be sent after sign-up.

Costume Measurements: The most important measurement is the **girth** measurement. Measure girth from the center of the right shoulder, through the crotch, and back to the starting point. **Hold tape loosely.** When in doubt, let the girth measurement be your guide.

Example: If bust is 23, waist is 23, hips are 24, and girth is 43, order MC (medium child). **Always order size where largest measurement falls.**

Soloist

Any DFSC skater who has passed the Juvenile Freestyle test as of the registration date may perform a solo. A skater who takes and passes the Juvenile test at the Northland test session may apply late and will be included. This form should not be sent until the test has been passed.

Cost: **The fee for a solo is \$15.**

Requirements: Soloists are responsible for their own programs, costumes, and coaching. A soloist may use a program that he/she already has or choose his/her own music. Please check your music with Heather. This is to make sure the music goes with the show theme and is not duplicated in the show. Heather will need a copy of the music by March 24 to include it in the master copy of the show. All music may not exceed 2 minutes.

Practice Ice: All skaters should practice their programs during club time. There will be no extra ice available for solo practice. The soloists will be given warm-up ice the day of the ice show.

Warning: A skater may only do a solo if he/she also participates in a group number. There will be special consideration for adults wanting to participate in a solo. This is due to the limited number of adult participants.

Registration Must Be Received By December 17, 2011.
